THE MONSTER EXPOSED

Until now, I've only dated cute girls.

Those who'd smile at my side.

...Well, to me he's the cutest of all.

But now, the one sleeping at my side is a flawed, tobacco-scented, lewd man.

I WANTED A CUTE GIRLFRIEND, SO I'M HAPPY, TOO.

What I like about Hayasda-san...
That's right, I...
Why am I so...
SQUEAK

At a boring after-party, rather than worrying favor,
I was much more interested in the fact that...
...my unsociable superior was an ex-delinquent.
At first, it was all about getting off.
I thought I'd found a hole that felt amazing without having to worry about pregnancy
GOT IT!
LEAVE IT TO ME!
Whoa?!

I was just..
He was tough so I could go as far as I wanted.
SO I'M FINE WITH MEN TOO I GOT IT UP
It was my first time with a male partner, but it was surprisingly good, and by that time I was tired of women.
...a bit interested in that smiling face he used to have.

Sex with him felt great
No matter how long it lasted, I never lost interest. It had never been like that before.
But at work, he'd change back into the same old unsociable [illegible]
During sex, he clung to me sweetly and called my name over and over.
It became intolerable.
I ended up thinking about nothing but him.
HUH..
I... MUST BE WEAK TO THIS GAP

Since I was near him,
I realized he wasn't just a cold, unsociable person
It was surprisingly easy to tell when he was embarrassed,
and he'd get jealous even though we weren't dating.
I ended up forgetting about every woman I knew

Nothing turned out the way I wanted.
Everything that worked for me before was useless.
Somehow, before I knew it,
I was frustratingly addicted.

It was one step forward, one step back.
I was irritated by that smile I'd never seen
I'd never felt like that before
That's right, it was the first time..
SQUEAK
